**Description:** Ri-Jet M100 Special Ultra-clear Rem SA

Short term film, ultra clear plastic vinyl with good flexibility and conformability to curved surfaces. The RI-JET series of ink-jet print media gives excellent print results with UV, solvent and eco-solvent ink-jet printing. Testing for suitability between media, printers and inks is always recommended prior to use.

Removable adhesive with clean removability or less residue from glass, painted surface and many substrates as well.

Short-term promotional graphics films suitable for temporary indoor and outdoor applications like point-of-sales advertising, exhibition, short-term signage, billboards and other general usage on flat and vertical substrates.
